

Pairing and Naming Decora Digital™ Devices

Step 1

- Download the Decora Digital Dimmer & Timer app to your smart device

Step 2

- Open the app
- Click the Scan button

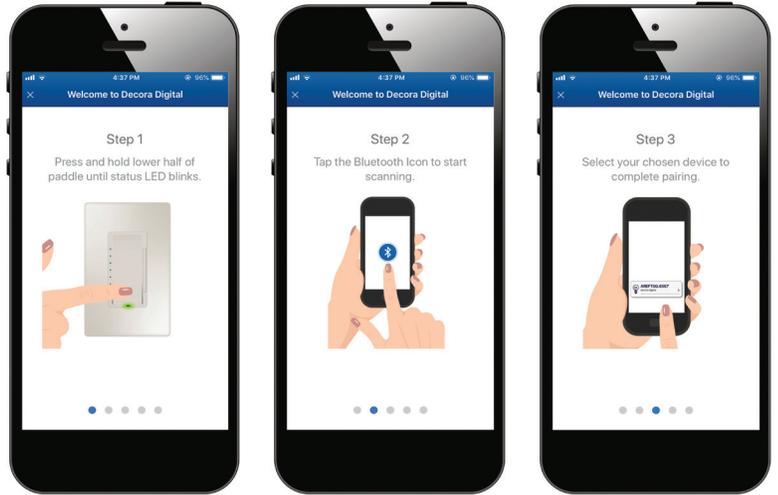

Step 3

- The Leviton switch or dimmer will be listed under “Unpaired Devices”
- The status will be listed as “Not Ready”

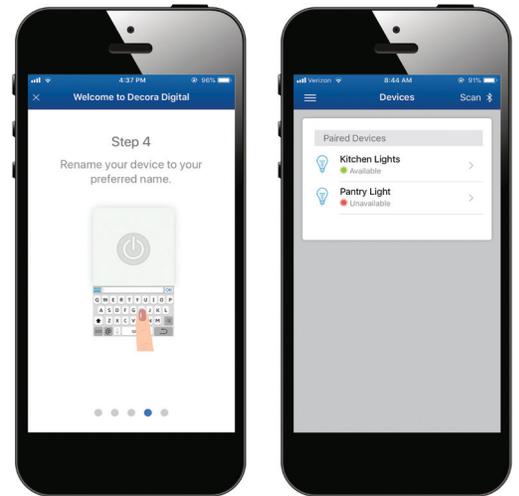

Step 4

- Press and hold the lower half of the paddle of the switch or dimmer until status LED blinks
- Tap the Bluetooth® icon to start scanning
- Select the device that is being paired from the list to complete pairing

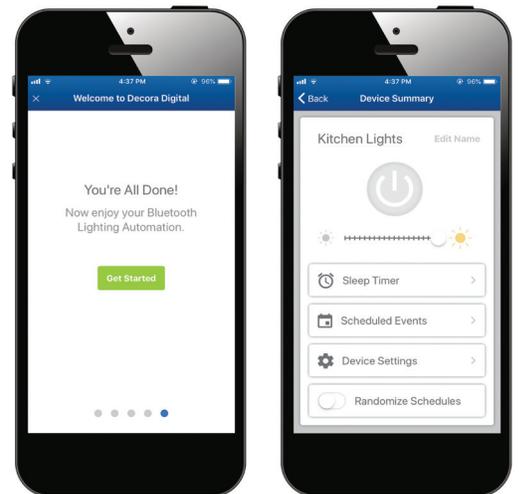

Step 5

- Rename the device to help identify its location
- The status will now be listed as "Available"

Step 6

- Set up is complete
- You can now control and schedule the lights using the app
